WHAT ARE THE PIPE TRADES?

Individuals who work in the Pipe Trades are responsible for laying, fabricating, maintaining, installing, repairing, and servicing equipment and piping systems for water, steam, gases, chemicals, and fuel. They must be able to utilize drawings, specifications, and codes to measure and adjust metal, plastic, and fiberglass pipes, valves, and fittings, and inspect systems for leaks or other defects. The work itself is complex and requires individuals who can perform a variety of tasks throughout the day.

WHO CAN APPLY

Open to residents of Nova Scotia, with a focus on attracting individuals from equity-deserving groups including Indigenous Peoples, African Nova Scotians, Racially Visible Individuals, Persons with Disabilities, Newcomers, and Women.

*Individuals must be Canadian citizens or permanent residents, and residents of Nova Scotia.

*Additional prerequisites for the program include a High School Diploma, GED or CAEC. Individuals who do not meet these requirements are encouraged to inquire about alternate options to satisfy admission requirements.

*Applicants to this program may also qualify for financial supports. Please discuss at time of application.
